Newsletter 17, October 2021

Dear Parents/Carers,

Welcome to our termly newsletter, I use this to keep you up to date with our news and forthcoming dates for your diary. I hope that you all had a half term break.

I usually use Facebook to share regular updates and photos, however our page has been disabled and it seems unlikely I can get it back. I fear that I have been hacked. If anyone works for Facebook, please let me know! I will keep trying and keep you updated if I start a new social media page.

Covid 19

We will continue with the same procedures that were in place last term. If your child develops any symptoms, we will ask you to either isolate them for 10 days or that they have a negative PCR before they can return.

We thank you for your support last term.

Key workers and Next steps

I would like to take this opportunity to remind you all that you are welcome to chat to your child's key worker at any point, just ask. It can either be at the beginning of sessions or on collection. Your child's key worker uses your child's interests and curiosities to engage them, which in turn will ensure they learn and develop. In addition your child's key worker will assist your child to meet their next steps. Any evidence of development towards their next steps, are safely stored in the children's folders, which you will receive when they leave us.

We have started our focus weeks with children and we have been delighted with your response. Focus weeks provide an opportunity for you to ask questions and share celebrations and interests at home. Your child's key worker will then provide you with a detailed observation, across a week, and will indicate what they are currently working on with your child.

Tapestry

I hope that you will enjoy seeing the uploaded observations of your child's focus week. You may also see 'wow moment' observations, so maybe something we have never seen them do before, or of an activity towards their next steps or sometimes of a visitor/special event. If you see your child doing something new or that we do not see at pre-school, you are able to upload your own photos to share them with us. We can then use this evidence towards their next steps, during the early years the partnership between settings and parents is so important. If your link has expired or you require any support, please let me know.

Clothing

I would like to take this opportunity to remind you that your child/ren may get messy at Pre-School, so please do not send them in wearing anything special. We will be using the outdoor area every day, regardless of the weather (unless too dangerous), so please provide

your child with a **named** coat, hat and wellies (in a bag) during the winter months and a named sun hat and apply sun cream to them before they attend, in the summer months.

Tuesday lunchtime

If your child stays for lunch on a Tuesday, we ask that you provide a **named lunchbox** and **named bottle of water**. We are a nut free setting, so please do not send your child in with food containing nuts/seeds or Nutella in sandwiches. We ask that your child has only water and that they have a healthy balanced lunch, I have attached a poster with some ideas. We will leave any sweets given in their lunchbox to take home. If you choose to give your child grapes or sausages, please cut them horizontally and vertically. See the below link for more information:

Invoicing

If you have to pay fees for your child's sessions, you will be sent a monthly invoice. In accordance with our 'Terms and Conditions', fees are due monthly, in advance. You may pay via cash or bank transfer (please use your child's name as a reference). Fees are £12 per morning session and £10 per Tuesday afternoon session. I email invoices in advance of each month.

Voluntary Contribution

You will also receive a letter each half term asking you for a voluntary contribution towards consumables and activities. This includes, snacks, sand, mud and craft resources as well as a weekly Music and Movement session on a Tuesday with Simply Lizzie (Usually £3 per session) and a Tiny Tekkers session on a Friday with Concept 4 Football (Usually £3 per session).

The contribution that we suggest is:

£2 per week if your child does not attend on a Tuesday or Friday

£5 per week if your child attends 1-3 days, including either a Tuesday or a Friday

£8 per week if your child attends 4-5 days, including both Tuesday and Friday

This term is 7 weeks. We really appreciate your support in this matter and it will enable us to provide a rich learning environment and give the children access to a wide variety of snacks and experiences. To pay your voluntary contribution, please use the bank details above and your child's initials and the word contribution, thank you.

Miss Lizzie from Simply Performers will be providing a Music and Movement session every Tuesday 11:30-12pm from September. The class will include nursery rhymes, songs and props which will not only improve your child's vocabulary, but also help develop their interaction, confidence and social skills. These sessions are high energy, fun and not to be missed...
